

A PRAYER FOR THE KINGDOMS OF NATURE

Blessings and gratitude to the plant kingdom
Blessings and gratitude to the animal kingdom
Blessings and gratitude to Mother Earth

We open to the Light of the Spirit
And send out the Light of Spirit
To all the kingdoms of Nature

May the Light nourish and sustain all plant life
May the Light help and heal all the animals
And may the Light bear us with gratitude upwards
Whilst our feet stand firmly on the holy Earth.
Amen.
